This tool is part of Adding a Gender Lens to Nontraditional Jobs Training, created by Wider Opportunities for Women for the GreenWays initiative and revised by JFF as part of the Delivering the TDL Workforce initiative. All tools are available online at: http://www.jff.org/newlensonjobs.

Supported by the Walmart Foundation, Delivering the TDL Workforce expanded high-quality transportation, distribution, and logistics training programs in ten regions and promoted best practices in program design and delivery, employer engagement, and workforce partnership development.
